

PLAN BEFORE YOU TRAVEL SYDNEY DENTAL HOSPITAL

Travelling to the Sydney Dental Hospital

Sydney's new light rail is a great way to travel to the Sydney Dental Hospital. High frequency services mean you can just turn up and go. Services run 7 days a week starting at 5am and finishing at 1am the following day.

Find out more about Sydney's new light rail at transportnsw.info

By Train

Patients travelling to Sydney Dental Hospital by train should alight at Central Station and use the Exit 5 Eastern Stairs to cross Chalmers Street underground. Those with accessibility requirements should use lifts available at either Exit 4 Elizabeth Street or Exit 6 Chalmers Street and use the signalised crossings to traverse Chalmers Street.

By Car

Those driving to the hospital should turn left from Randle Street just after Devonshire Street. P30 parking is available close to the Hospital on Chalmers Street, see map overleaf. The Sydney Dental Hospital has wheelchairs available for those who have accessibility requirements. Please call ahead on 9293 3333 and arrange for a wheelchair if required.

Patients who require pick up and drop off can use the P10 parking zone on Elizabeth Street, adjacent to the Eastern Stairs.

Disability parking is also available on Chalmers Street near Rutland Street.

By Taxi

Taxis will be permitted to pick up and drop passengers at the Sydney Dental Hospital on Chalmers Street or at the P10 bay on Elizabeth Street.

All drivers should remember not to drive along the tracks and never queue across intersections.

Where can I find more information?

Visit transportnsw.info or call **131 500** to help plan your journey.

Visit **sydneylightrail.transport.nsw.gov.au** for more information about the Sydney Light Rail project.

Contact the Sydney Dental Hospital on 9293 3333 or sydneydentalhospital@health.nsw.gov.au
