

Concord Hospital multi-storey car park

Works notice — August 2024

Road works on Hospital Road

A small section of Hospital Road will be impacted for approximately four months from Monday 19 August 2024, while construction works occur to install a roundabout near the P3 staff car park and the future multi-storey car park.

From Wednesday 11 September to Thursday 31 October 2024, this section of Hospital Road will be restricted to a single lane, with traffic controllers managing traffic throughout the day. A boom gate and traffic lights will be in use overnight.

Staff are advised to access the P3 car park via Gate 4 on Nullawarra Ave while Hospital Road Gate 2 access is closed from 30 July to early November 2024.

The pedestrian footpath will be reduced to one side of Hospital Road near the works to protect people passing the construction activities.

These works will have no impact on access to the Emergency Department.

Key impacts

- Hospital Road restricted to a single lane, with one-way access managed by traffic controllers.
- At night, traffic will be managed with a boom gate and traffic lights.
- No access to P3 car park via Hospital Road
- Pedestrian footpath reduced to one side of Hospital Road
- Increase of construction traffic
